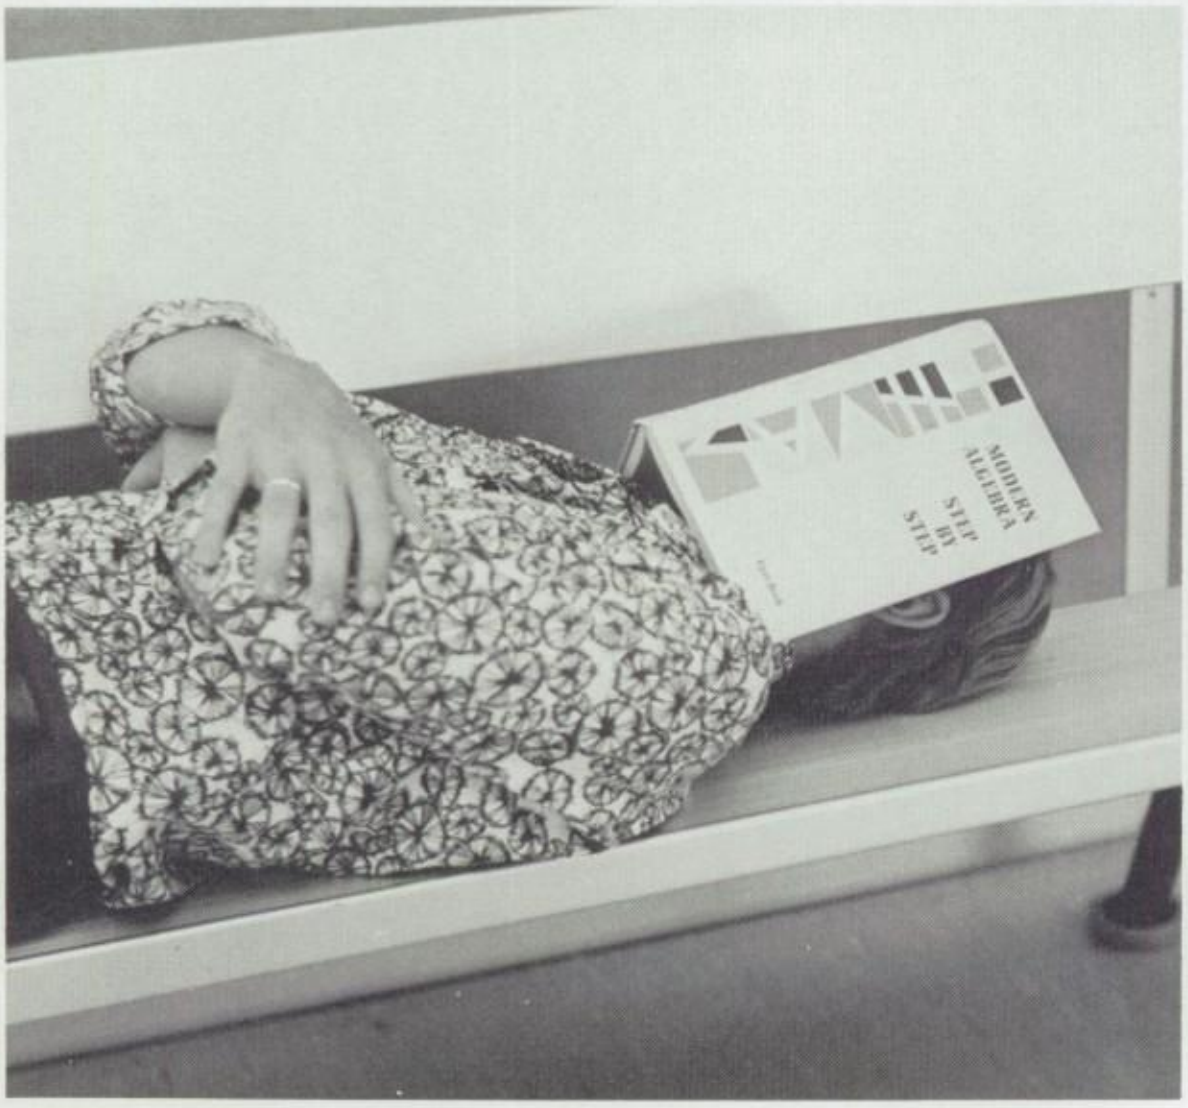
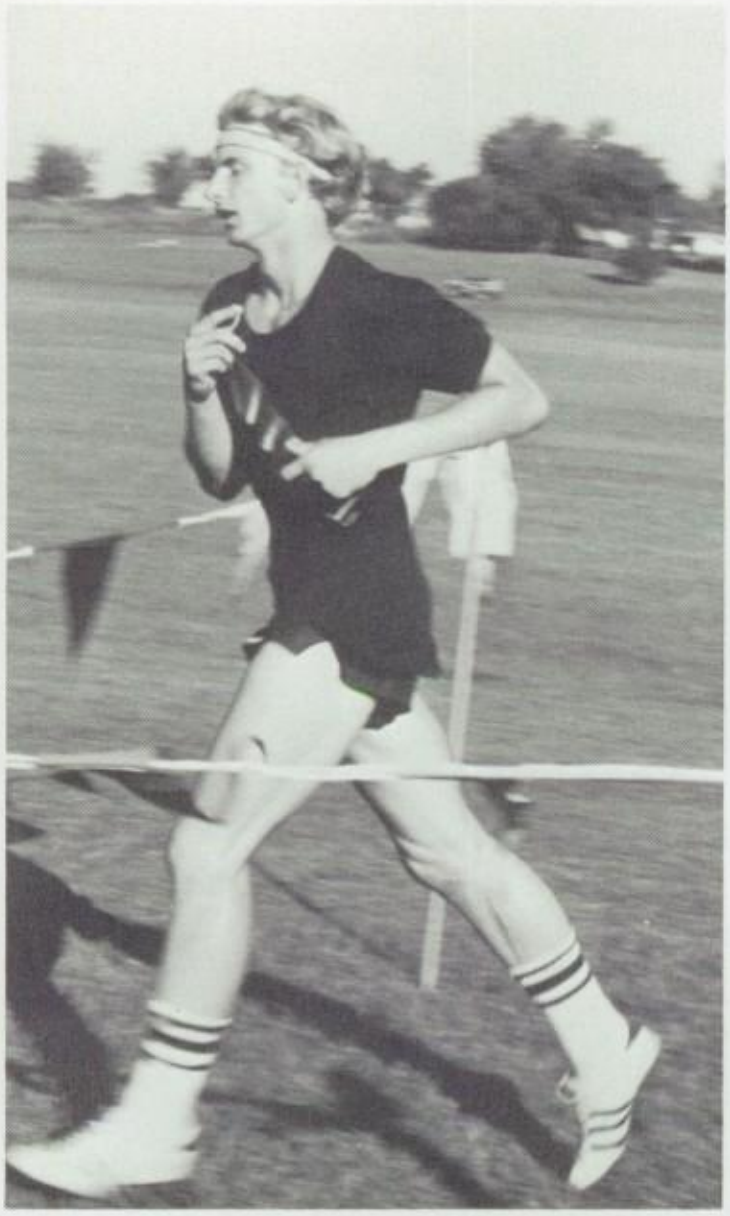
oak forest, illinois

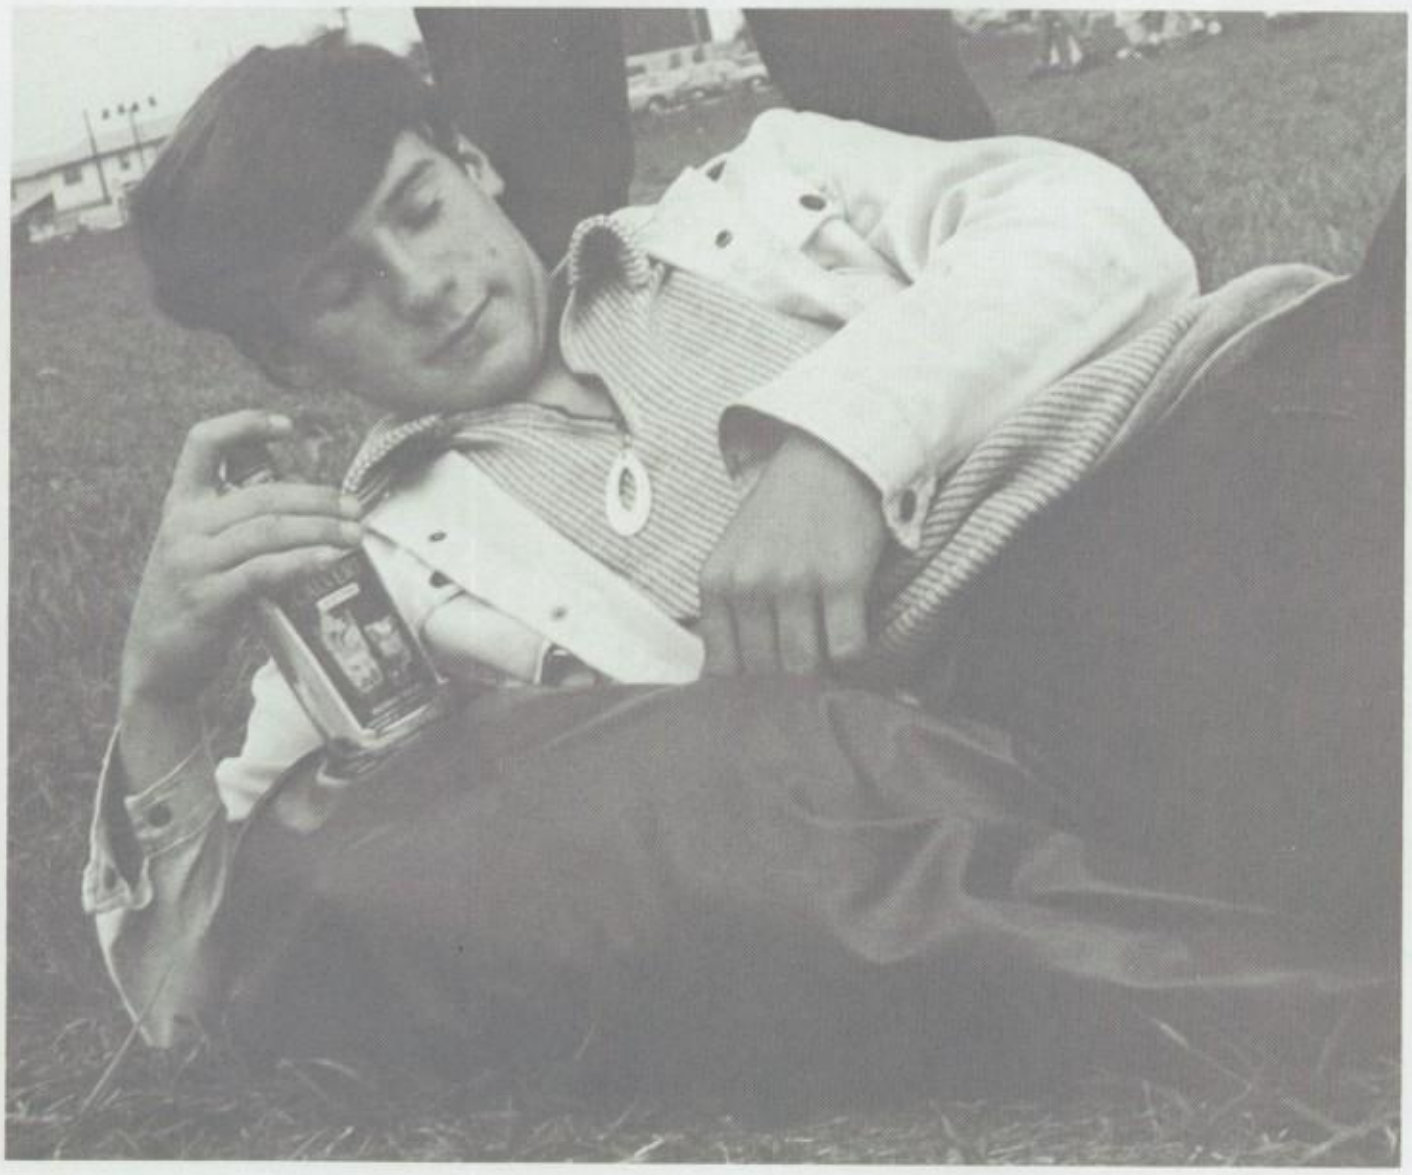
We were meant to see the beginning of the day
I believe it was planned to lift us this way
Take you an apple and take you a song
Watch a baby day be born.

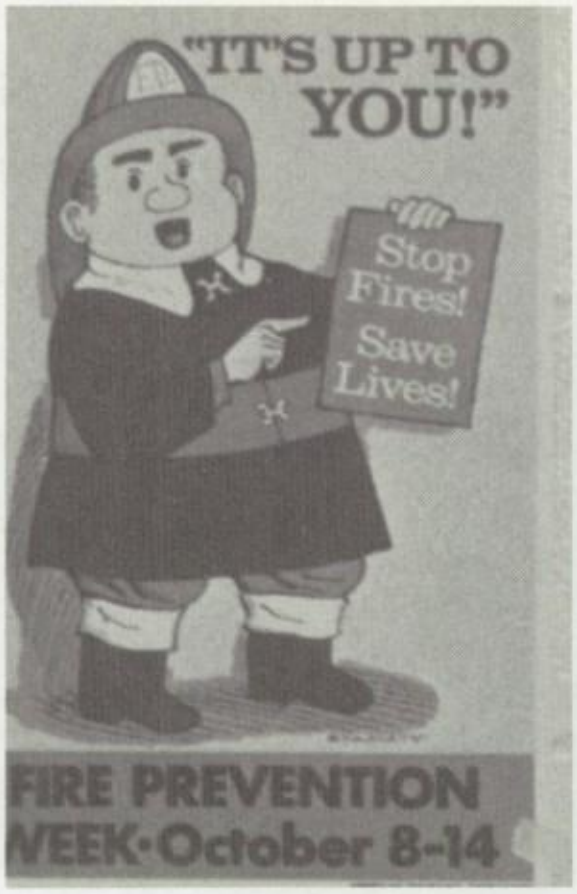
Just as the sun opens new days...
So do new doors open our lives.
We have new experiences rising everyday;
Some warm, some cold, some stormy, some peaceful, and tranquil.
At the close, we reflect on our lives and await a new dawn.

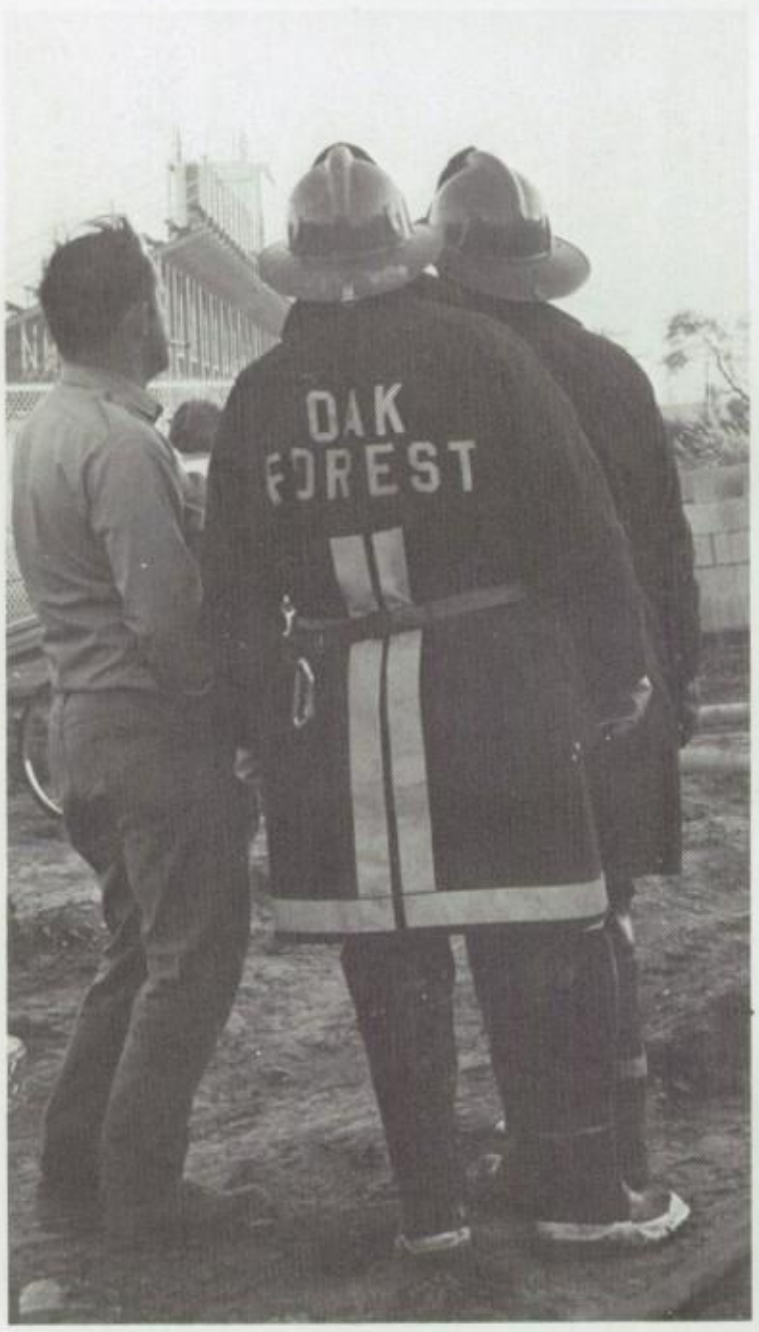


Climbing; the sun lends its fire
Instills intensity and shines forth
The idea of relentless pursuit
All power to those who likewise strive
For theirs is creation
And to create is to live.









On October 16, our unburnable school caught fire. The tar on the roof of the new building burned only a short time before our observant football team noticed. There was no serious damage done.

The Pom-Pom group was formed this year as a result of student interest. Before selection procedures were initiated, a club constitution was formulated. The next step was student involvement in the form of a clinic. All girls eligible and interested were informed of selection methods and developed their individual and group routines. A group of 12 was chosen, 10 regulars and 2 alternates. The Bengal Boosters aided by purchasing pom poms and emblems. The girls made their own uniforms. The first performance was April 14, 1973.

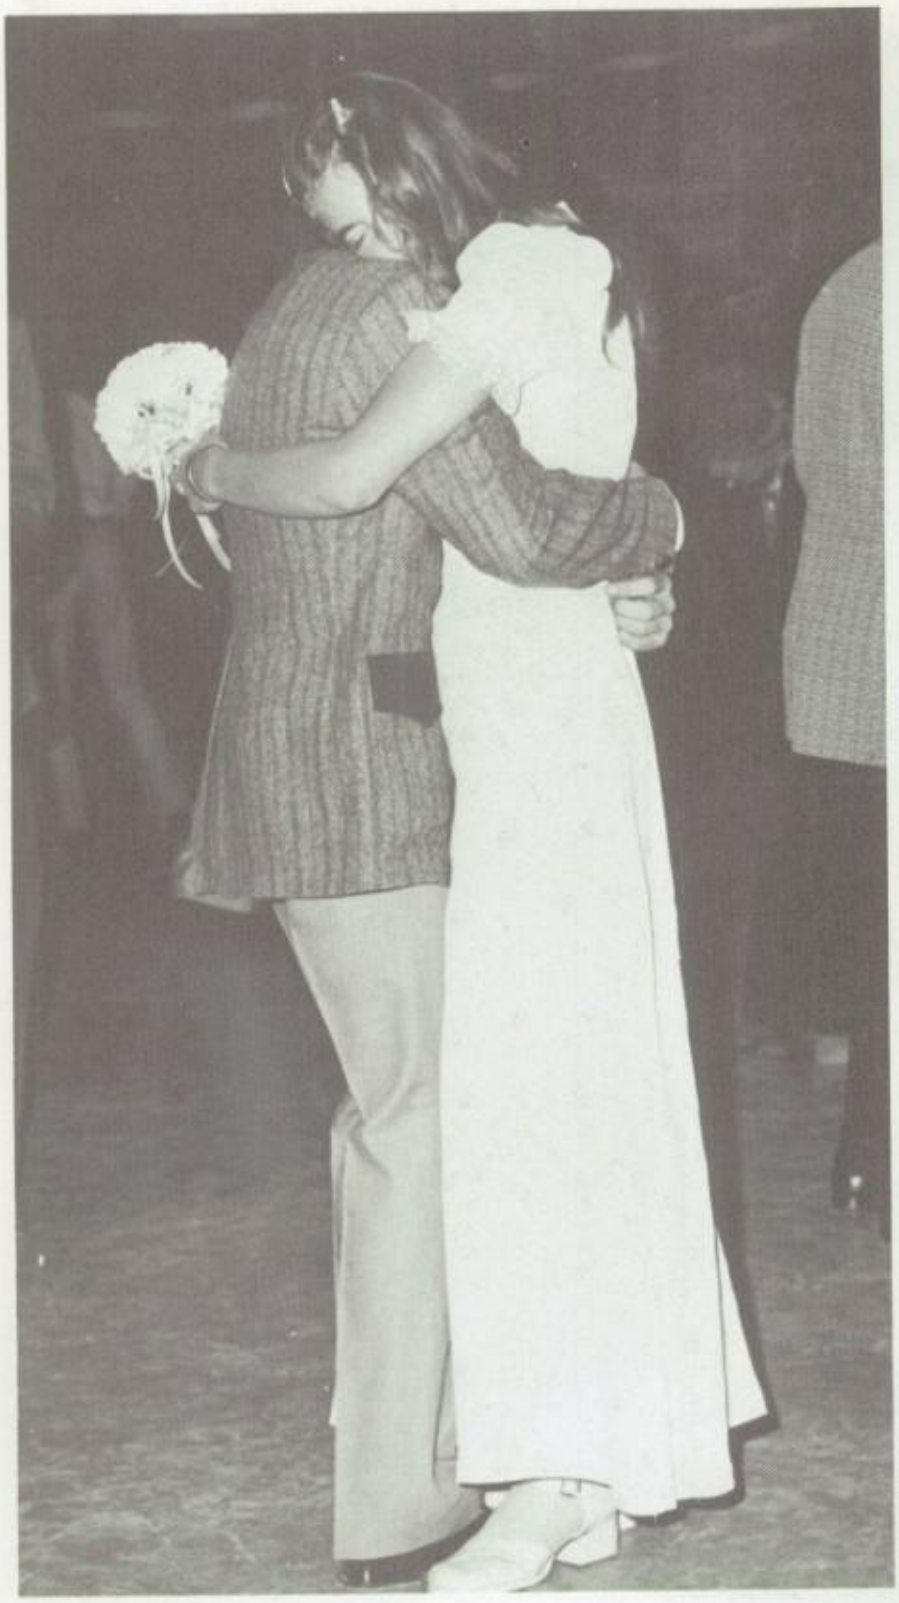
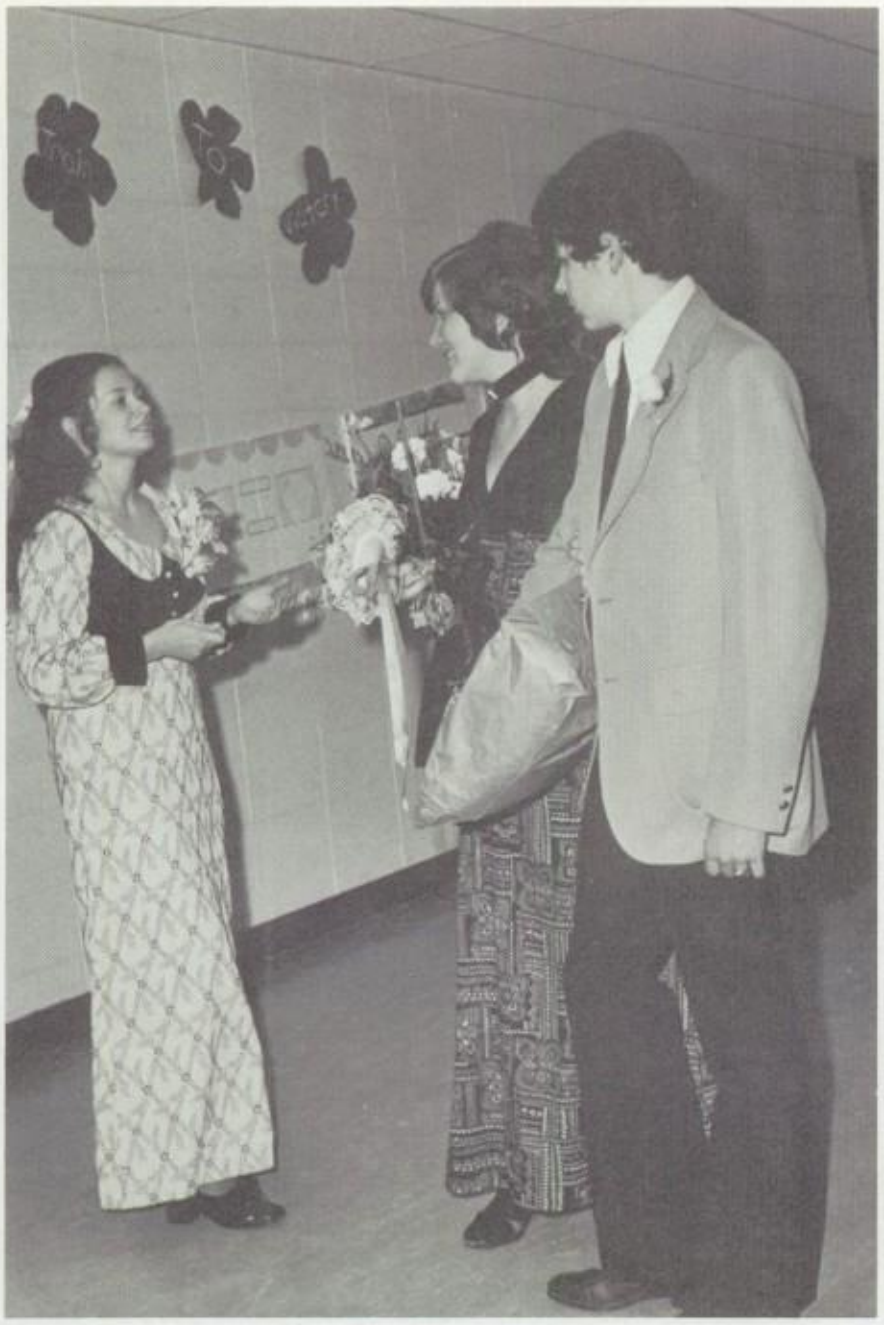
These traveling trophies were presented at halftime of our fall festival game to the sophomores for hall decs and to Spanish Club for best float! Congratulations!



It was another first for Oak Forest- the Fall Festival, our surrogate homecoming. The week's festivities included an assembly during which each club proudly displayed their football floats. Each of the three classes designed and hung hall decorations encouraging a Bengal Victory. The high point was the crowning of the Duke, Mark Rapinchuk, and the Dutchess, Donna Rector. The Bengals were victorious over the Stevenson Patriots and the final bit of celebrating was enjoyed at the Fall Festival Dance. Fall Festival week provided laughter, activities and many memories.



The Directors of the plays, Ms. Dunlap and Ms. LaMorte, smile at their achievements.

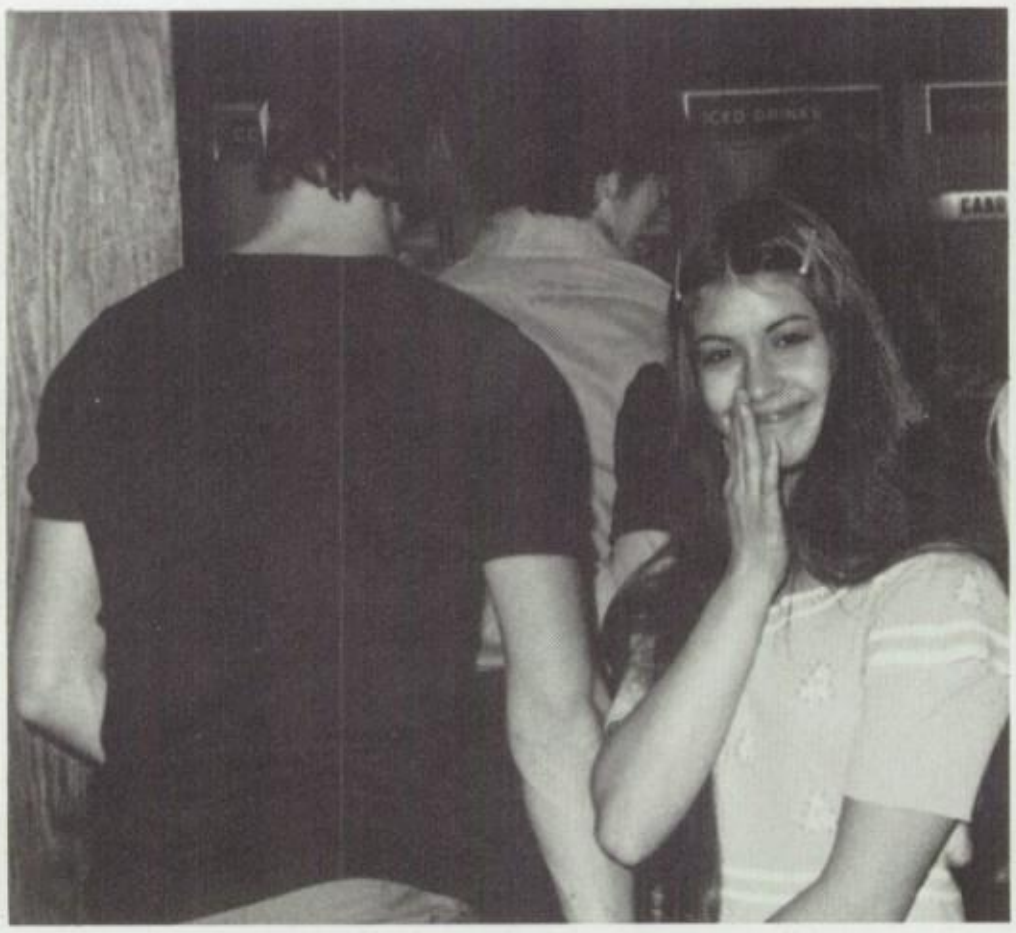
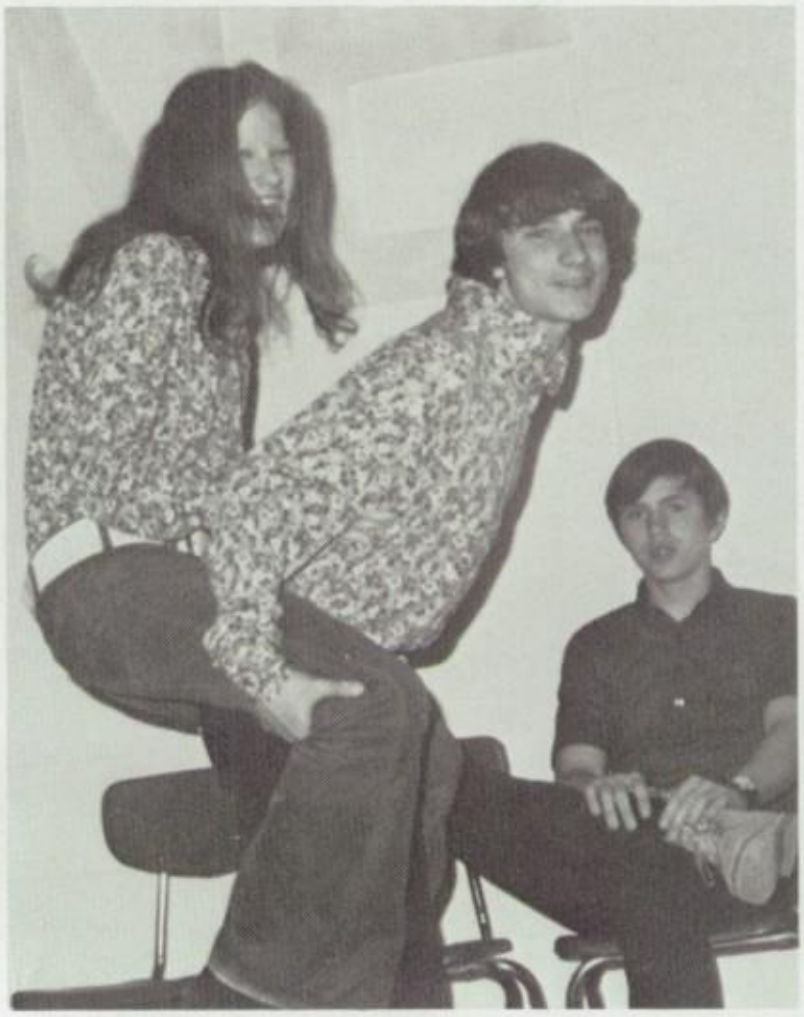
the secret of christmas

IT'S NOT THE GLOW YOU FEEL WHEN SNOW APPEARS,
IT'S NOT THE CHRISTMAS CARDS YOU'VE SENT FOR YEARS,
NOT THE JOYFUL SOUND WHEN SLEIGHBELLS RING,
OR THE MERRY SONGS CHILDREN SING.

THE LITTLE GIFT YOU SEND ON CHRISTMAS DAY,
WILL NOT BRING BACK THE FRIEND YOU'VE TURNED AWAY,
SO MAY I SUGGEST THE SECRET OF CHRISTMAS ...
IS NOT THE THINGS YOU DO AT CHRISTMAS TIME
[illegible] THROUGH.

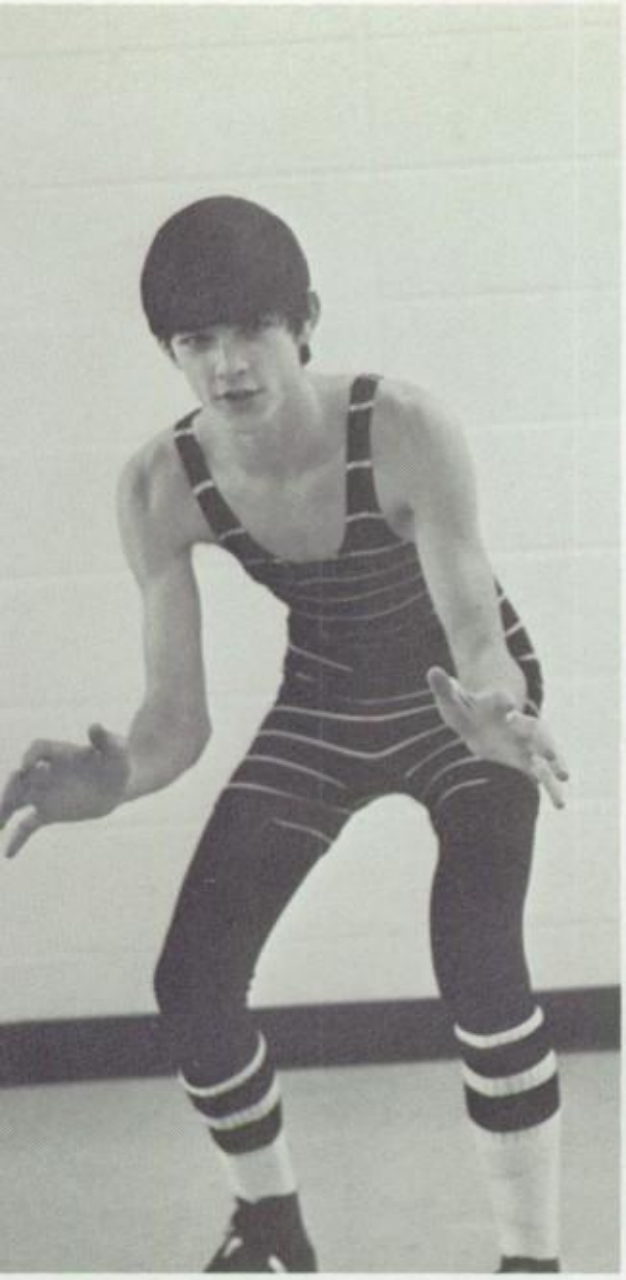


What's the secret Cathy?

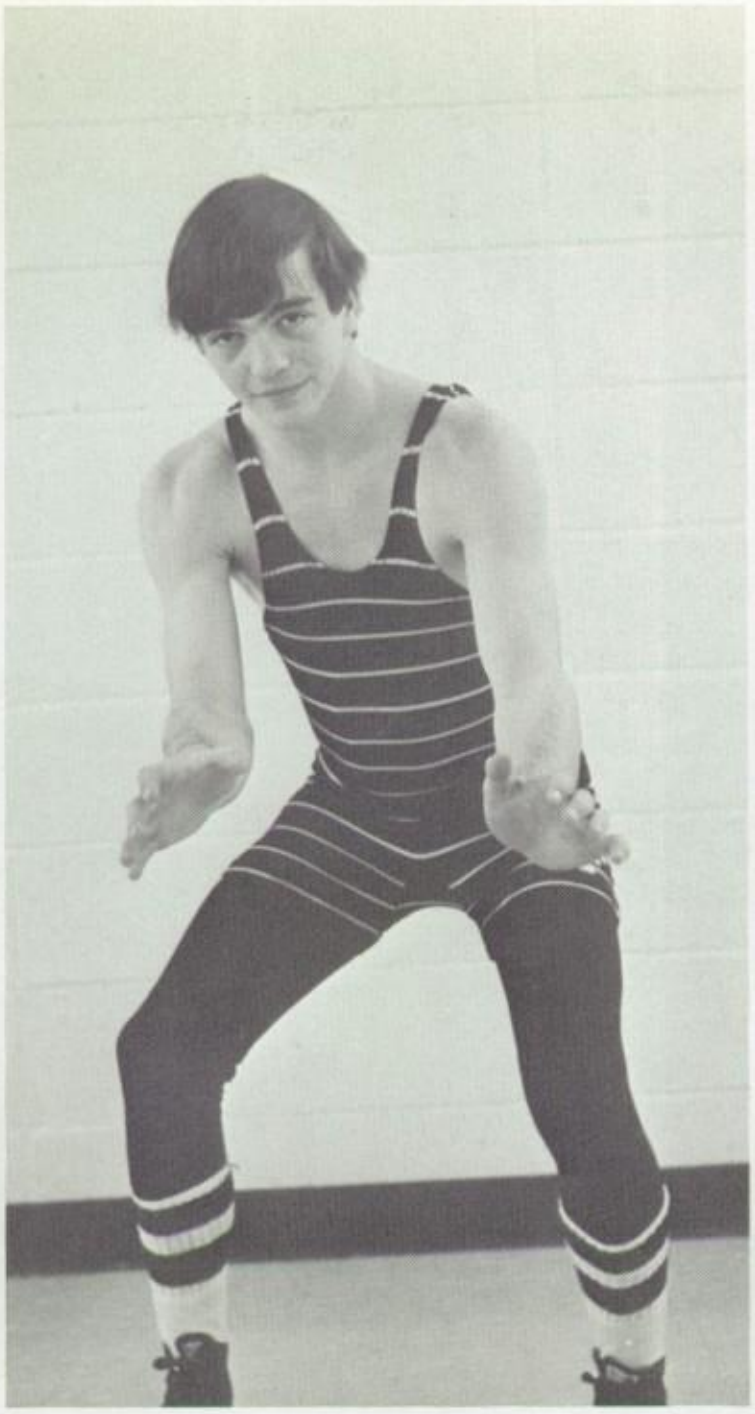


VALENTINE DANCE

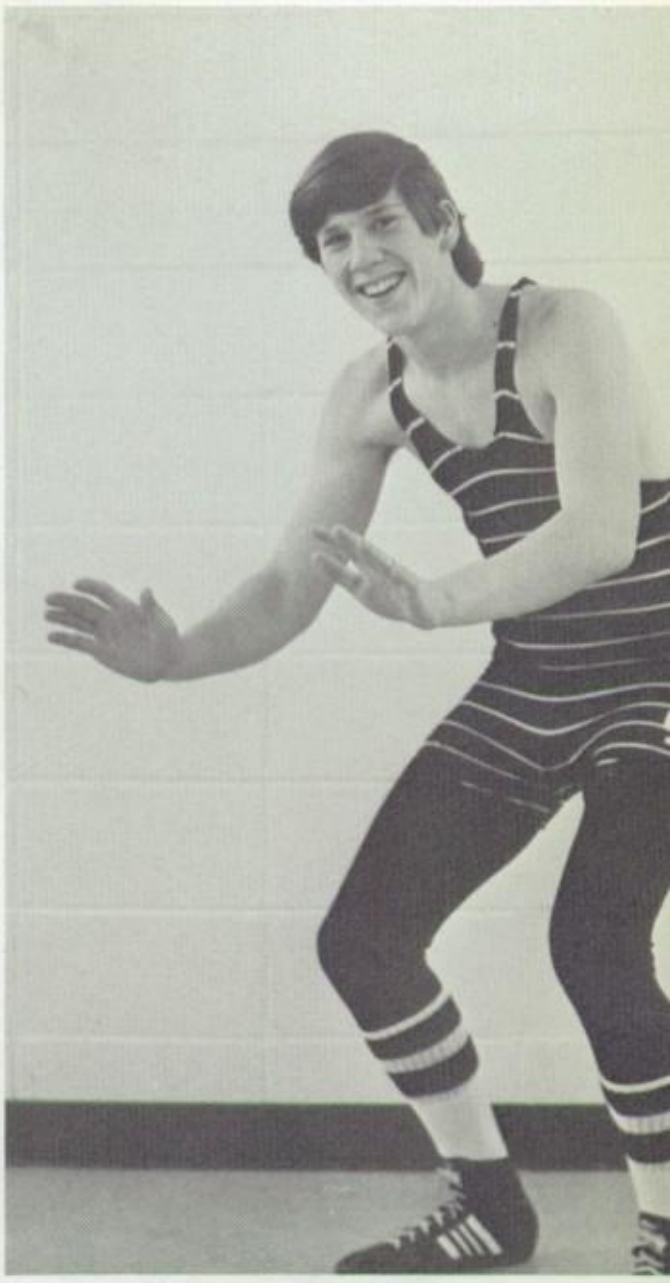
Leroy and Sue enjoyed the Dance.



Jim Pauly



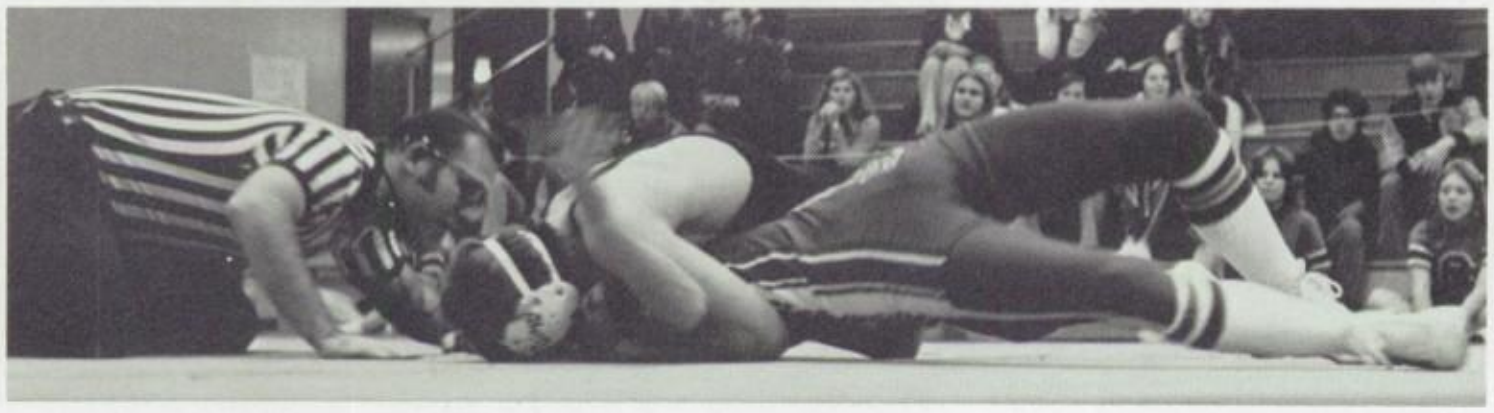
Tim Gerdes



Dave Foss

Jim Pauly's record through the season was 15-3 and he became District Champ at 98 lbs.

Tim Gerdes' record was 27-5 and he became Champ at both District and Sectionals. He then went on to become 6th in the State. Dave Foss' record was 15-11 and he took 2nd in Districts. Dave DePaulo, whose record was 20-3 took 3rd in Districts. There were eight teams competing in Districts and Oak Forest came in 4th. Thirty nine schools competed in Sectionals and Oak Forest came in 10th. With timeless effort on the coaching as well as the team, it was a fine showing for Oak Forest.



teahouse of the august moon

After World War II, American forces occupied Okinawa to rebuild and develop the land. Colonel Wainwright Purdy III, (Scott Arcand) in charge of these operations hoped to gain the rank and acclaim of general through this endeavor, until Captain Fisby (Ken Kmak) was assigned to his regiment. Having been transferred out of every regiment in the U.S. Army, Fisby was a blunderer first class. With the aid of his new interpreter, Sakini (Mike McElliott) Fisby managed to put the village of Tobiki on the map by brewing and distributing potent potato brandy to the rest of the forces of Okinawa. Much to Colonel Purdy's dismay Fisby had acculturated only too well-complete with his own Geisha girl, Lotus Blossom, (Kathy Doyle) and teahouse. Even Captain McLean (Chris Conrad) the Army psychologist was unable to cure him. Enraged by what seemed to be a decadent failure in the eyes of Purdy, he ordered all the stills and the teahouse to be destroyed, only to find out that the U.S. Tobiki was earning fame as a model city of recovery. Through the ingenuity of Sakini, all had been hidden and was easily restored.

The Sergeant (Sue Madigan) talks with Colonel Purdy (Scott Arcand).

Lotus Blossom (Kathy Doyle) dances to celebrate the opening of the teahouse.

A regular event at Oak Forest are the evenings set aside to pay tribute to the athletes. Parents of those honored are invited to share in a banquet. Awards are distributed and those who have given time and effort during the sports season are reminded that no-one's interest or efforts are unappreciated.

language classes sponsor international dinner

Joyce wonders about Kathy's salad.

"How do you say submarine sandwich in French?"

Kathy Dieskow tastes her chile to be sure.

Kerrin stares in amazement at the array of French, German, and Spanish foods.

On Mardi Gras, the language classes featured an international dinner consisting of specialties from Mexico, France, and Germany. Some of these delights were: chile, tacos, tamales, potato salad, coffee cake, crepes, and French bread. It was an interesting way to digest a foreign culture.

Dear Students:

In behalf of the students and faculty of Oak Forest High School, I wish to commend the yearbook staff members who have devoted considerable time and effort to the publication of this fine annual yearbook. The happy memories represented herein for the 1972-73 school year once again exemplifies the outstanding pride and school spirit of Oak Forest High School.

May I also take this opportunity to compliment the entire student body for their participation in activities throughout the school year and their exemplary attitude in spite of the school year's considerable handicaps, such as, split-shifts and new construction. I offer my continued encouragement to the Classes of 1974, 1975, and 1976 in their role of leadership to strive for and gain further outstanding recognition for their classes and their high school.

Respectfully,

Dedication

The yearbook staff, on behalf of the student body, is dedicating this book to Mr. James Arneberg, the former Dean here at Oak Forest.

Mr. Arneberg came here when Oak Forest was just starting. The first year he combined the teaching of English with handling the Dean's Office. He managed to do both so well that he won The Teacher of the Year Award at Oak Forest. The second year being a Dean was a full time job and Mr. Arneberg filled the position as few could.

Characteristic of Mr. Arneberg is his warmth, his sense of justice, a deep dedication, and a sincere interest in the welfare of the individuals he encounters. He had a knack of making those who came in contact with him feel as if they really mattered. He knew the names of most of the student body and his knowledge included an understanding of the community of Oak Forest as well as of the school. When he wanted to make a point, or insist on adherence to particular school rules, he became very demanding and no one would mistake his message. He contributed a great deal to the formation of the standards of Oak Forest, standards which all of us have a right to be very proud of.

Being a Dean is having the most unpopular job in the school. Yet when introduced at assemblies a loud applause of approval would sound from the rafters. Somehow he magically combined the sterness of his expectations with an understanding and concern for the individual and the results were a deep respect for him both from his colleagues and the students.

We are really glad we had the experience of knowing Mr. Arneberg and wish him the very best.
